Hello and welcome to our office:

One of the goals of our practice is to do everything to make your dental visit just as pleasant as possible. If you happen to have a dental insurance plan do not hesitate to ask any questions about your plan or any aspect of the treatment we are advocating. In order for us to make your dental plan work successfully, we must emphasize several important factors:

• We will be happy to file your insurance as a courtesy to you. Be aware that insurance is a contract between you, your employer and the insurance company. We will gladly help you obtain your maximum insurance benefits; However, you will be responsible for any balance not covered by your insurance.

• In respect to keeping scheduled appointments, there will be a $50.00 per hour charge for a broken appointment if 48 hours (or 2 business days) notice is not given. This charge must be paid prior to any future appointments. Receiving reminder cards and/or a telephone call to remind you of your appointment is provided as a courtesy. You are ultimately responsible for remembering your scheduled appointment.

• For certain types of dental procedures, we require a credit card on file to reserve those appointments.

• If you are late for your dental appointment by more than 15 minutes, we may have to reschedule your appointment.

Please know that your out of pocket amount of planned treatment will be due at the time the service is rendered. Payment options are cash, check, or a credit card. If your account becomes past due over 60 days, there will be a finance charge of 12% added to your account.

If you are scheduled for an emergency visit, 100% is due at time of service.
